PROFESSIONAL EXPERIENCE

Full Stack Developer

2021 – 2025

Havelins Petcare Ltd

- Collaborated in developing integrated e-commerce infrastructure managing 5 Shopify stores with custom frontends
- Contributed to proprietary order management system using Shopify APIs to consolidate multi-store operations and automatically allocate inventory across channels
- Helped build seamless WMS integration with automated workflows for order processing, featuring one-click dispatch system and automated order printing
- Team achieved significant reduction in order processing time while maintaining real-time inventory synchronization across all platforms

E-commerce Administrator

2015 – 2021

Havelins Petcare Ltd

- Managed daily order processing and fulfillment across 5 Shopify storefronts
- Processed high-volume orders through existing systems, ensuring accurate inventory allocation and dispatch
- Handled order printing and fulfillment workflows, maintaining order accuracy and delivery timelines
- Monitored inventory levels across multiple sales channels and coordinated stock replenishment
- Liaised with customers to resolve order queries and provide shipping updates
- Identified operational inefficiencies and provided feedback for system improvements
